

Build Your Own Itinerary

Help us help you enjoy your wine tasting adventure by providing us with your itinerary.

Winery reservations are highly recommended so you're expected. Walk-ins typically go to the back of the line. Occasionally walk-ins are informed there is no room and are invited to come back later or on another day altogether. Some wineries do not allow themed party items like tiaras, boa's and 'party favours'. When making reservations inquire about tasting fees, available onsite tours, dress code, onsite restaurant, food truck, or picnic facility, pet restrictions, business hours, how much time to allow for a typical tasting and purchase, etc.? Consider leaving extra time in your itinerary for a roadside fruit stand, ice cream cone, food truck, viewpoint, beach stop, etc.

What to bring: Bottled Water, Cooler, Snacks, Charged Phones, Phone Chargers, Hats, and Flats.

No Scents, lip gloss, or lipstick. Wine tasting is a highly sensory experience. Please don't spoil yours or others.
