"Amazing Wedding Shuttle & Wine Tour!"

"We had such an amazing experience with Allen. We hired him as a shuttle for our wedding and everyone raved about how personable and fun he was. He got all of our guests home safely and his prices were amazing. A month later, I joined a wine tour for a bachelorette party for a friend who I recommended Allen to and we had an absolute blast. He even brought homemade cheesecake for the group! I would highly recommend Allen and Cheers Okanagan Tours to anyone looking for a wine tour or wedding transportation. Thanks again Allen"

Top-Notch Wedding Transportation

"Amazing transportation vendor in the Okanagan. My wife and I got married last weekend and we used Cheers Okanagan Tours for Shuttles, Bride & Groom transport and wedding party transport. Hands down the most professional and had the best customer service by a landslide out of any transportation vendor we contacted (all of them). Reign is awesome, the driver (Lou) was exceptional and very flexible."
