## "Amazing Wedding Shuttle & Wine Tour!"

"We had such an amazing experience with Allen. We hired him as a shuttle for our wedding and everyone raved about how personable and fun he was. He got all of our guests home safely and his prices were amazing. A month later, I joined a wine tour for a bachelorette party for a friend who I recommended Allen to and we had an absolute blast. He even brought homemade cheesecake for the group! I would highly recommend Allen and Cheers Okanagan Tours to anyone looking for a wine tour or wedding transportation. Thanks again Allen"

Charly S. Vancouver, BC

**Countless, unseen details are often the only difference between mediocre and magnificent. At *Cheers!* we sweat the small stuff.**

### Congratulations!!!

Allow the team at *Cheers!* to design and deliver a safe, clean, reliable, seamless transportation solution so you feel confident and cared for.

### How To Use This Form

Save this document to your phone or computer drive. Review the checklist over on page 2. Select the "Fill and Sign" tool. Check off all of the services you require for your Big Day. Once completed, fill out the info boxes with as much detail as possible, re-save and email us for a quote. If the fields in this form do not have enough space to include all relevant information, please include a more complete description in your response email.

### The Quotation

Typically your quotation will be presented in an à la carte style. Each section of the events transportation is separated out with multiple options per section. This allows you to "mix and match" the services that best fit your unique needs and desires. Examples below:

**1. Safe-Ride-There** - Ensuring everyone stays together, arrives safely, and on time.

- A) Transport 72 guests simultaneously - 3 coaches, 1 trip = \$\$\$
- B) Transport 72 guests in two groups - 2 coaches, 2 trips = \$\$
- C) Transport 72 guests in three groups - 1 coach, 3 trips = \$

**2. Safe-Ride-Home** - Getting everyone home to the ones they love.

- A) Continuous on-demand shuttle service from 9 pm to 1 am
- B) Timed departures every hour from 9 pm to 1 am

### The Real Cost

We feature upfront all-inclusive pricing so there are no unwelcome surprises or hidden fees. For example, a total of \$1,100 includes the fare \$769.52 + fuel \$168.10 + gratuity \$110 + GST \$52.38 = \$1,100.

Bookings are confirmed once *Cheers!* receives a minimum 50% deposit. The remaining balance is due seven or more days before the event.

### End-of-Night Contact Person

The end-of-night contact person MUST be at the venue until the end. This liason (typically a responsible family member or friend) is responsible for inquiries from the driver(s), confirming that the driver(s) are finished and can leave, and is responsible for authorizing additional services at each vehicle's hourly rate if the need arises.

Our customers rave about us, refer us, and return for more. We'd like to get that kind of relationship started with you.

**Daytime Wedding Transportation** is in direct competition with other services like bachelorettes, golf tours, conferences, airport shuttles, and wine tours of all types. Consequently, *Cheers!* operates with a daytime hourly minimum during the summer months in order to deliver equitable service; inclusive of all guests.

*As a courtesy to wedding guests, respected industry leaders like [WeddingWire®](#), [Brides®](#), and [theknot.com®](#), highly recommend you endorse a trusted tour company to out-of-town guests who have not visited the (Okanagan) area before. Many guests will use the wedding as motivation for a weekend getaway or an all-out vacation. Your endorsement of Cheers Okanagan Tours in the "Things to Do" and "Travel and Transportation" categories of your wedding website expresses your thoughtfulness and it will make your guests' experience (and memories of your wedding) that much more unforgettable. Everyone prefers a personal referral!*

## Top-Notch Wedding Transportation

*"Amazing transportation vendor in the Okanagan. My wife and I got married last weekend and we used Cheers Okanagan Tours for Shuttles, Bride & Groom transport and wedding party transport. Hands down the most professional and had the best customer service by a landslide out of any transportation vendor we contacted (all of them). Reign is awesome, the driver (Lou) was exceptional and very flexible."*
